

## Hoffman Estates High School Distinguished Alumni Award

The Distinguished Alumni Award will recognize Hoffman Estates graduates for their achievements and contributions and provide our students with role models for exceptional accomplishments.

Our high school is rich in traditions, and it is important that our students be exposed to some of the examples from graduates who have made a difference. This recognition program is designed to illustrate to our students the importance of setting educational and career goals. Hoffman Estates High School would like to honor alumni who have earned recognition for their achievements and contributions in their field of endeavor. Recognition will be given to those who have exhibited outstanding leadership, character, and service. Selection will be based on the following criteria:

- x Graduated from Hoffman Estates High School ten or more years ago.
- x Demonstrates a high level of achievement in his/her field and makes significant contributions to that field.
- x Exhibits leadership, character, and service at work, in the community, or in civic organizations.
- x The selection committee consisting of faculty and administration will review all applications.

The following procedure will be followed:

- x Parents, staff, retired staff, other HES graduates, and all interested parties are asked for nominations.
- x Self-nominations are welcome. All nominations will be kept on file and referred to and updated for consideration in subsequent years. The selection committee will meet and review all nominations.
- x Semi-finalists will be selected, and they will be sent a questionnaire to acquire further information and to determine if they could attend the induction ceremony on the evening of the Honors Convocation in May.

The award winner will speak briefly during the convocation.

Details will follow upon their selection.

A bronze plaque will be displayed for the selected distinguished alumni that will include a picture and a short description of their achievements.
