

Athletic & Competitive Activity Policies & Procedures for District 211

One purpose of the athletic and competitive activity program is to provide students wholesome, competition on an interscholastic level. A necessary corollary to this purpose is the development in students of a sense of dedication and the establishment of high standards of conduct and attitude. Because participants represent their school, they are expected to represent high standards of morality and conduct. Student conduct is expected to be exemplary the year round.

In order to participate in the athletic and competitive activity program, the student and his/her parents shall be required to attend a mandatory pre-season meeting at which parents and the student will be informed about training and participation rules and the function of the Athletic/Activity Board.

Misconduct among participants shall include offenses such as the possession or use of tobacco in any form, possession or use of alcohol or drugs, theft, dishonesty, and other misconduct. Students who are found to be involved in such misconduct will face disciplinary action according to procedures outlined in section B, Disciplinary Procedures. When alcohol or drugs in any form are present at student parties, it is recommended that students involved in athletics or activities leave the party immediately.

A participant who admits to a drug, alcohol, or tobacco-related problem to a school staff member before a reported rule violation occurs will be referred to the principal. The principal will hold a conference with the student and his/her parents. After considering all information pertinent to the student's problem, the principal will decide the best course of action to help the student. The principal will confer with the administrator directing athletics and student activities at the District office before releasing the decision.
