

Welcome to freshman year at Fremd!

We are so excited to have you
join our community.

"Books help us understand
who we are and how we are
to behave. They show us
what community and
friendship mean; they show
us how to live and die."

— -- Anne Lamott

Please see the [online folder](#) for a collection of short stories, nonfiction pieces and poetry, and read each piece before the first day of school.

At the start of the year in E108, Honors Freshman English, we will look at how our various summer reading texts connect and how authors use literary elements to convey purpose.

We will be completing small group and whole class discussions along with formative and summative class assessments using these texts.

We can't wait to meet you!
