

Support Center Program

Students enrolled in the Support Center program receive instruction in a separate, special education classroom providing a much smaller learning environment than the typical regular education classroom.

regular pattern of disruption, negative impact on the learning environment or need for support, supervision or removal.

In order for the services provided in the Support Center program to be effective, the student's participation and determination are essential. The following behaviors increase the chances that a student will be successful:

Take part in understanding the IEP, particularly the goals and objectives.

Help the teacher to identify and understand academic strengths, weaknesses and areas that need assistance.

Be prepared for classes. Have the necessary books, pens, pencils, paper, notebooks and assignments at every class.

Go to every class every day and on time.

Ask the teacher for help, extra time, or other assistance when needed.

Inform the teacher if any academic subject or skill area is particularly difficult.

Use the learning strategies that are taught.
